Subject: Fire Marshals report for October.

Andrew,

There have been no incidents that the Fire Marshal follow up has been needed for October.

I have talked to several residents about fire pits in front yards to close to the buildings. All residents understood the safety concerns that were presented to them.

Next month will be in a more detailed format.

Any Questions please feel free to contact me.

Thank You,

Tom Weber
Chief of Fire & Rescue Operations
Folcroft Fire Company #1
